

ABOUT US

Visit our website swconnect.org.au to access the latest news, events and resources. This includes videos, program details and our team structure including the contact details of each SWC team member.

SWC has a proven track record of empowering over 86,000 young people in South West Sydney to discover pathways to a better future for themselves and their families.

The **Structured Workplace Learning Team** and the **Youth Collective Impact Team** work with businesses, government agencies, community organisations, parents and schools to create initiatives that connect young people (5 -25 years of age) and their families to opportunities to enhance their life options beyond school.

Our Mission

- Empower young people to achieve their educational, social and employment potential
- Support students in career exploration, career decision making and the transition into work
- Engage communities, in particular local government and employers, around the needs of young people transitioning into the workforce
- Engage with and build relationships with schools and career advisers across our region to promote the importance of career education and workplace learning

Our Reach

We work with 42 High Schools and 103 Primary Schools, engage with all 3 education sectors NSW Department of Education, Sydney Catholic Schools and Association of Independent Schools NSW. We operate in Fairfield and Liverpool LGA and also in parts of Cumberland and Canterbury-Bankstown City Councils.

Our Vision

To inspire young people and their families by connecting them to the resources, skills and opportunities that enhances their options and empower them to be their best.

Our Action & Collaborative Approach

We achieve this through our Workplacement Program and the Youth Collective Impact Initiative. We partner with stakeholders across all sectors (business, school, family and community), building community capacity and strengthening aspirations and resilience for all young people in South West Sydney so they can create their own pathways to a better future.
