

Automotive

Why study Automotive?

As part of your HSC you can choose to study a VET Course. Automotive gives students the opportunity to gain a range of skills suitable for employment in the automotive industry. The course focuses on providing students with the knowledge and skills required to perform minor service and preparatory work in areas of the automotive industry. Your course will let you do 2 weeks of workplacement.

Whilst on Workplacement You Can

- ✓ Learn basic troubleshooting
- ✓ Practise workshop safety
- ✓ Use hand and selected power tools
- ✓ Remove and fit wheel assemblies
- ✓ Clean the workshop
- ✓ Prep for basic panel and paint work
- ✓ Wash/clean vehicles and engine compartments
- ✓ Observe of quoting and estimation processes

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.
