

Construction

Why study Construction?

As part of your HSC you can choose to study a VET Course. Construction provides students with the opportunity to gain a range of skills suitable for employment in the construction industry. Your course allows you do 2 weeks of workplacement.

Whilst on Workplacement You Can

- ✓ Use small plant equipment & static machines
- ✓ Prepare for brick/block laying
- ✓ Use hand and selected power tools
- ✓ Assemble simple partition frames
- ✓ Concrete to simple forms
- ✓ Learn Workplace Health & Safety requirements
- ✓ Read and interpret plans
- ✓ Handle construction materials and safe disposal of waste

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.
