Information & Digital Technology

Why study Information & Digital Technology

As part of your HSC you can choose to study a VET Course. IDT offers training opportunities to students who are interested in designing web pages, software and games, creating programs, systems and databases, networking computers and finding solutions to technical and software problems. Your course allows you do 2 weeks of workplacement.

Whilst on Workplacement You Can

- ✓ Learn basic graphic and multimedia
- ✓ Maintain equipment and consumables
- ✓ Install & administer hardware and software
- ✓ Get an introduction to help desk
- ✓ Enter data
- ✓ Do word processing & spreadsheets
- ✓ Carryout database maintenance

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.
