Why study Primary Industries

As part of your HSC you can choose to study a VET Course.

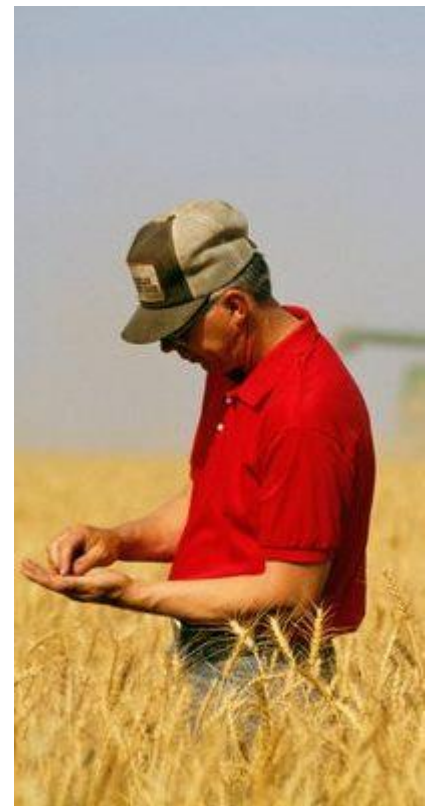

Primary Industries provide products and services in response to the demand not only for food and fibre products but also for recreational and leisure activities. These products and services influence the daily lives of all members of society.

Your course allows you do 2 weeks of workplacement.

Whilst on Workplacement You Can

- ✓ Plan daily work routines feeding livestock
- ✓ Plant crops by hand
- ✓ Provide nursery care
- ✓ Carry out basic field duties
- ✓ Clean & maintain the workplace environment
- ✓ Apply safe workplace practices
- ✓ Recognise plants, products and treatments
- ✓ Prepare cattle for competition

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.
