

# Quest Liverpool Employer of the Term

Quest Serviced Apartments Liverpool offer studio, 1 bed and 2 bedroom serviced apartments for a short or long term stay.

Located in Scott St, Liverpool, Quest have been hosting local HSC Cert II Business Services students for their workplacement on a weekly basis since 2015 and during this time have hosted over 200 students.

The current management team of Wassim, General Manager along with Service Manager, Sheila do a fantastic job. Sheila who is our primary contact and student supervisor while the students are on placement offers our students a great opportunity to put into practice all facets of their course.

After receiving positive feedback from our students and schools regarding the opportunity and experience the team at Quest Serviced Apartments were giving our students, we had no reservation in awarding them our South West Connect 2020 Term 1 Host Employer Award.

This award is issued each term to a host who regularly provides a quality placement for our students based on feedback from students and teachers.

“We enjoy hosting students, they are of great assistance to us, and we enjoy being part of their educational journey. We endeavour to give the students while on placement with us a realistic insight of what it is like to work in the administration side of this very competitive service industry.” **Shiela - Service Manager**

Liza & Sheila accepting their award

“While on placement we must ensure they meet our high standards of professionalism, as the students are located at our front desk they are our guest's first point of contact. We gratefully accept this award and look forward to working with South West Connect for many years to come.”

**Wassim - General Manager**

Workplacement is a compulsory component for HSC students completing a Vocational Educational & Training Course as part of their HSC, these include:

- Automotive
- Construction
- Food & Beverage
- Human Services
- Retail
- Business Services
- Entertainment
