

GIRLS' TECH DAY 2023

YOUR SCHOOL IS INVITED TO PARTICIPATE

on

Wednesday 22 November

at

The Cube @ Campbelltown Convention & Entertainment Centre

Join us for a day aimed to inspire and motivate girls and young women to pursue interests in science, technology, engineering, arts, and mathematics (STEAM).

Primary and secondary school students Year 3 to Year 12 will enjoy engaging sessions with a dynamic panel of female STEAM professionals.

The students then step into an exciting hands-on zone filled with interactive activities designed to spark curiosity and ignite passion about the industry, inspiring and empowering young minds.

This Event is free to schools with the generous sponsorship of AWS.

IT'S FUN, IT'S FREE, IT'S FAST AND IT'S INSPIRING

Primary Schools session: 9:00am - 11:40am

Secondary Schools session: 12:10pm - 2:40pm
